The two-weekend format, stretching from Santa Barbara to San Diego, will again enable host yacht clubs to select the best fit for racers wishing to participate in this unique event. This yachting tradition is a chance to test your skills against the best skippers in the West Coast or provide an opportunity to experience the thrill of competitive racing for the first time.

The SCYA Midwinter Regatta, one of the Nation's largest sailing competition, offers more than 25 venues, over 600 competing boats, 100 classes and more than 2,500 sailors. Regatta Chair, Marlyn Dinon and team, have been working closely with SCYA, the regatta's commercial sponsors and participating host clubs to ensure everyone has a great time.

Each hosting yacht club showcases what they have to offer the sailing community. The Southern California Yachting Association, now in its 96th year of service, continues to facilitate member club communications, sponsor a variety of boat safety seminars, club management training, legislative representation, honor awards and much more.

Successful past Midwinter venues tell the story about this unique event: You will have a great racing experience. You will find networking opportunities. Most importantly, you will have a great time on the water! Pick your race dates and sign up early!

SCYA is a service oriented, non-profit organization supporting the recreational boating and yachting communities. To learn more, contact service@scya.org.

Growing Sailing, one veteran at a time

Warrior Sailing is a growing program servicing wounded, ill and injured service members and veterans around the country. Since it began in 2013, it hosted 12 training camps graduating over 170 new sailors into the sport. As a mobile program, Warrior Sailing now offers ASA certifications and has partnered with over 40 clubs, facilities and centers in sailing. The program will return to the San Diego area in June to host a Basic Training Camp, a 3-day intense training experience.

"This year, the SCYA and CorYC are proud to work with Challenged Sailors San Diego, an organization that provides therapeutic and recreational, adaptive sailing opportunities for people with disabilities, to enhance their dignity, well-being and independence. The group will be sailing Martin 16 sailboats, outfitted to accommodate persons with many kinds of disabilities. The Martin 16 Class is only open to Challenged Sailors. Want to participate, but don't own a boat? Contact Richard Townsend, CorYC's event coordinator, at (619) 435-1166.

To those sailors in the San Diego area who are looking for crew for the regatta, consider taking a Warrior Sailing graduate as crew. The graduates will have various skill levels and many are new to sailing, but all have been introduced to the basics of sailing. If you are interested, please contact Ben Poucher, ben@warriorsailing.org.
